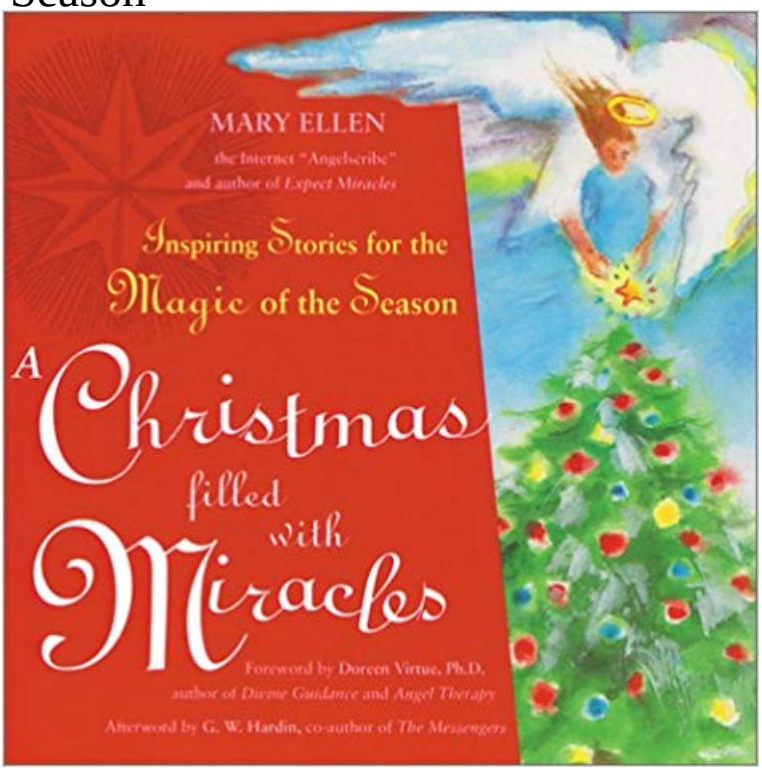
A Christmas Filled With Miracles: Inspiring Stories for the Magic of the Season



Christmas and miracles go together like holly and ivy. Mary Ellen, who collected hundreds of stories of real-life miracles in her book Expect Miracles, taps that reservoir again to create this magical, mystical gift for the holiday season. Some stories will bring tears, others are delightful and funny, and still others defy logic, daring readers to believe. All of them speak to the flame of hope that lives in everyone.
