

## More Than a Few Good Men

More Than A Few Good Men tells the compelling soldiers story of Robert J. Drivers life from childhood to his retirement from the United States Marine Corps. Driver witnessed and was part of many extreme, and sometimes chilling, events. These actions come to life through Drivers own letters home to his wife, encompassing the challenge of boot camp, Officers Candidate School, and his tours of duty in the Vietnam War. Driver collected declassified documents and information from many of the Marines he served with in Vietnam in order to provide the reader with this exceptionally detailed account. Drivers letters home offer a clear reckoning of the traumatic events of combat and the bravery of his young Marines. The book also features biographies of the many contributors. Drivers admiration for the men he fought with is evident-they were More Than A Few Good Men.

When Fe del Mundo first applied to Harvard medical school in 1936, the admissions committee did not know that she was a woman because of Their average age was 30. They came from 24 states and the District of Columbia. Thirty-three were married and three were engaged. They left 20 hours ago If a good man is hard to find, maybe youre not looking in the right places.
