

A Strangers Desire

In life, Cain had been a destroyer. In death, he still was. Only now lust was his weapon. Slain long before in a moment of despair, the onetime Viking had been collected by the Evil One and forced into servitude, Hed become an incubus, a demon with one purpose: to stalk the night, stripping away womens fears and tasting their desire. But when he slipped into Sophie Alexanders dreams, she evaded his pursuit. Sophie had one purpose: to find the secret that would save a dying child. Cain could feel the desperation in her heart, but he could also sense something else. In her kiss, there was sweet redemption. Love was no longer the trap hed believed it to be in the past and his lust was no longer a weapon but a tool. With it he would break his bonds, and together he and Sophie would overcome the evil that imprisoned them and create a whole new world.
