

Alexa - Legionnaire : Training an Assassin: Prequel to Alexa - The Series

To all the Alexa Guerra fans out there you can now buy the books at a heavily discounted rate for this week only. Thats right! All the books have been discounted to \$0.99 until Sunday, the 20th of October 2014. Do not miss out on the chance to experience the adventures of our intrepid female assassin during this bargain promo week. Meet Alexa Guerra. Circumstances beyond her control have forced her to become a killer, the perfect assassin. And now she is hellbent on revenge against those who are hunting her. Zachary Cohen is one of the good guys. A skilled computer programmer, theres not a code he cant break, a firewall he cant defeat. Hes a captain in the Israeli military who takes on some of the worlds most unscrupulous criminals. And in that capacity, he works alongside the most talented and best-equipped agents in the world. Until he uses his skills against his own, and they turn on him. When Zach hacks into his governments system and uncovers evidence of secret (and illegal) financial dealings by operatives in high places, he puts his life and the lives of his wife and daughter on the line. Bruce Bryden - a Mossad Operative with a love for the African bush. As Rhino poaching reaches endemic proportions on the Southern tip of the African continent, a fateful confluence of circumstances places him in the firing line of the Dalerians, a ruthless conglomerate of mercenaries, corrupt government officials and unscrupulous politicians who will stop at nothing to get their hands on BIG money. Blood money, that is. In this military espionage thriller, assassinations, suicides by military officers, explosions, and double-crosses lay the foundation for the exposition of the Dalerian Conspiracy. Alexa - Legionnaire is Alexa Guerras coming of age story. From her childhood days, being hunted by a vicious gang called the Dalerians, to her brutal ordeal of surviving

Legionnaire training. Read the prequel to the series to find out how Alexa Guerra became a lethal assassin working for Interpol's Special Investigations Unit, and strap yourself in for a roller-coaster ride of assassinations, suicides by military officers, explosions, and double-crosses which lay the foundation for the exposition of the Dalerian Conspiracy.
