

## The Oasis (Palm Springs Diaries Book 1)

Elias has worked so hard to get into shape, and it hasn't been easy considering he never met a donut he didn't like. His whole life is a pressure cooker, and love, his distant fantasy, is nowhere on the horizon. When his best friend and roommate, Josh, talks him into a weekend getaway, he says yes but soon wishes he'd said no. Elias doesn't think he's ready for a trip that involves Gay Leather Pride Weekend at The Oasis resort in Palm Springs. Elias is finally starting to feel good in his clothes. Can he really parade around in a leather anything, or God help him, naked in front of dozens of horny men? Can he handle a pornnado of a weekend? Previously published by Silver Publishing.
