

All in the Family (Zebra Bouquet Book 12)

Can a once-burned single dad and a pregnant divorcee find romance? Jed Cotts has put his foot down with his matchmaking-obsessed daughters: No more blind dates! But that's before he meets Karen Andersen. The striking, petite Audrey Hepburn lookalike is worlds away from Jed's fantasy of a tall, Nordic blonde, but something about her intrigues him. And before he realizes what he's doing, the single father has accepted her invitation to attend a wedding in the wilds of Montana. Karen has her own set of rules for romance. Rule No. 1: Don't get involved in a new relationship, especially when you're having another man's baby! But while her ex did a pretty good job of extinguishing Karen's faith in love, sensual, caring Jed is making her rethink everything. As they take to the road en route to a western oasis, are two people who have given up on happy endings ready to give each other a chance?
