

From Passion to Pleasure (Five Brothers Book 1)

Good things come in short packages... ..to reword an old saying. With Lauren 5 11 and James 5 6 someone was at a disadvantage. Initially his height was a hurdle for her, but that disadvantage disintegrated as his disposition endeared him more and more to her. Lighthearted, easygoing, fun, and funny. That he was as well as very warm and extremely loving. In fact he was passion personified. After merely a month of acquaintance, Lauren knows loneliness no more, not with James around, making her smile and feel cherished and very loved. All good things must come to an end... ..Another familiar old saying. Will the good thing Lauren has found in James come to an end? With a childhood fear that has persisted into adulthood still lingering in her life, and with James guarding a secret that could shatter a love hes incredibly found, this good thing called love that theyve found in each other might just meet an unexpected end.
