

Heather Long BUNDLE (Always a Marine Series)

Military romance at its finest! Enjoy four stories from Heather Long's Always a Marine series in one smokin hot ebook. ONCE HER MAN, ALWAYS HER MAN, TELL ME THE MARINE, PROUD TO SERVE HER, HER MARINE. Once Her Man, Always Her Man - Hearing this author for the first time? Me too! But, being new to this author doesn't stop me from enjoying this short story. It's cool, it's great, it's hot! Whatever I say about this novel, would give the thrill away. So, for the first time in my reviewing history, there is no plot explanation - read and know for yourself. :) But, don't worry, there is some character review here instead! Luke - Oh god, Luke! If someone can make you swoon over a man in just less than 10 minutes by talking about him, it would be Heather Long (I think). Luke is a Marine - strong, tough and charming. I hate when men play the I-hurt-you-because-I-want-to-protect-you card with the girl. But, can't help my swooning part. Rebecca is a regular girl with a strong and kind attitude and I adore her. I am a romantic and can't help praying for Rebecca. I forgot to say, this is erotic romance, so kids below 18, please avoid this! For such a short novel, it's so good and so engaging! Would like to read more from this series. ~ Books Are Magic For a quick, but totally satisfying, second-chance-at-love romance, this is the perfect choice! Sweet, touching and very sexy, this novella is a must read! And as it is short, it won't take you long to finish - even better for those times when reading a 400 page book is made almost impossible by our hectic lives! I will definitely be adding Heather Long to my list, and I look forward to seeing what one of her full-length novels has to offer. Because when she can make me fall in love with a book in less than 40 pages, imagine what she can do in 300! ~ The Book Queens Book Palace This was such a great read. It's full of so much emotion and chemistry.

You can feel the love between them, it literally jumps off the page and smacks you in the face but in such a good way. These two had a lot of hurt and pain to get through to get back to one another and I think it was done in just the right way. Im glad I picked up this story because I really enjoyed it and I will definitely be on the lookout for more from this author. ~

Rambling From This Chick Her Marine-Lt. Brody Essex is a marine. A man of strength and honor, and maybe just the man Shannon Fabray needs. Brody wasnt looking for more than a night of passion and fun when he agreed to go on a date for an out of commission comrade in arms, but Shannon was definitely not what Brody was expecting. An exceptional woman, with her passion for life and love crushed beneath the blanket of her guilt and shame, Shannon calls to Brodys protective instincts and he vows to be the marine to bring her passion back to life, Her Marine. I loved Brody. There is nothing better than a strong man with a soft heart. Brody was everything that Shannon needed. He seemed to just know the exactly right things to say and do. When to push, when to back off and when to coax. I loved how he was so willing to change his preconceived notions of the one night stand and his quiet humor. Shannon was a great character too. I was so proud of her for attempting the one night stand and facing her fears. Watching her hesitant exploration of Brodys body and her own sexuality was like slowly opening a beautifully wrapped present from a cherished lover. Anticipation, trepidation, joy... dont rush because too soon the package will be open. Her Marine really touched me and I will definitely be looking for the other stories in the Always a Marine series. Heather Long tells a sweet and compelling story in Her Marine and I really enjoyed her voice. ~
