

## Strictly Business: A Loveswept Classic Romance

Beloved romance author Linda Cajio delivers a sinfully sexy tale about the sparks that ignite when a business proposition takes a steamy turn. Jess Brannen adores practical jokes, which is why she and her friends plan a raucous bachelorette party at a male strip club in Atlantic City for an unsuspecting bride-to-be. But the next morning, the joke is on Jess: She wakes up next to Nick Mikaris, the renowned architect who she had hoped would hire her landscaping company. An intense night of passion is not the sort of pitch meeting she had in mind. Nick Mikaris isn't one to mix business with pleasure, but he's willing to make an exception in Jess's case. Nick is tempted by Jess's work proposal and by the captivating woman herself. Touching Jess is delicious and addictive, but she seems determined to ignore the undeniable attraction between them. Now Nick, ever the practical architect, must convince Jess that they have what it takes to design a long and lasting life together. Includes a special message from the editor, as well as excerpts from these Loveswept titles: *The Reluctant Countess*, *Wild Rain*, and *Silk on the Skin*.
