

Born of Ice: A League Novel

In the Ichidian Universe, the League and its ruthless assassins continue to keep rule. But at what cost? Welcome back to the future...and a whole new world. Devyn Kell spent his life in service to the League until he learned of the double dealing and backstabbing that was costing innocent people their lives. Refusing to play those politics, he became a Runner - someone who makes sure planets get the weapons, medicine and supplies they need to survive. May the gods have mercy on any who get in his way, because he definitely wont. Alix Garran is a woman on the run from a past she cant escape. Signing on to work for Devyn as a Systems Engineer, she finds a cause she can fight for - and a man she can respect. But as Alixs past catches up to her, and Devyns old enemies turn lethal, they have to fight together...or fall alone.
