

Basic Obsession: A Billionaire BWWM Love Story

Angelina has seen better days. Once a hard working art broker moving up in the ranks, a slimy boss and her unwillingness to sleep her way to the top has now made her jobless and without a plan. But even out of the job her desire for fine art calls to her... And she's not alone in that passion. Enter Adrian, a man who made his fortune through the art scene. When the two meet through a chance encounter, it soon becomes apparent that Adrian needs someone like her in his business. What's more, Adrian needs someone like her in his life! What starts out as an innocent job proposal soon turns into a steamy and passionate relationship, and one that is as beautiful as the art both of them so admire. But with Angelina's obsessive old boss still determined to make her life difficult after rejecting his advances, will her new relationship or job be as secure as she first thought? And how will her dominating new man react to this outside influence? Find out in his all new romance story by J A Fielding.
