

14 Days: A Mother, A Daughter, A Two Week Goodbye

How do you let go of a hand you've held your whole life? When Lisa traveled home to visit her parents in December 2011, she never expected an ordinary three-day weekend to turn into an extraordinary 14-day observance of her mother's life and ultimately death. From a child's first breath to a mother's last, 14 Days shows how closing that circle can be a celebration of this unbreakable bond.
