

Divorce, 6 Ways to Get Through the Bad Times for Good

This book is all about Divorce Recovery. The foundation of this divorce recovery book is The Divorce Change Cycle. It is a helpful map for the 6 ways to get through the bad times of divorce...for good. It makes clear that the pain and anxiety a divorcing person is experiencing are feelings others have been through before and overcome. It is an easily understood model that can immediately show you where you have been, where you are, and where you can go in this divorce recovery.

Each chapter coordinates with one of the 6 predictable and sequential stages of The Divorce Change Cycle. It includes practical insights and life strategies for getting through the bad times of divorce... for good. This book contains approaches Divorce Recovery from a mans point of view -- and from a womans point of view -- separately. There are literally two sides to the book: [For Men] and [For Women]

For Men: Rarely has anything been written by a man for men facing the throes of separation and divorce. Men, have to deal with divorce survival issues dealing with women, kids, money, power, control, work, sex, lawyers, recovery and emotions like fear, guilt, pain, anger, loneliness, depression - the list can go on and on. This side of the book speaks about these and other experiences and feelings of divorcing men, through the voices of many men. The male reader will discover he is not alone in his painful and fearful trauma of divorce. He will discover how to chart his own way by learning from other men who understand - men willing to speak up.

He will learn how to spring back from divorce as a better rather than as a bitter man **For Women:** [Mostly for Women] tells womens side of the divorce story, the expressions and experiences, the pain, the indecision and the tenacity it takes to get through the bad times... for good. This book can give you insight, practical skills and strategies to help you understand how

to make it through this ordeal - to land on your feet as an emotionally, mentally and spiritually safer, stronger and more confident woman. The Divorce Cycle is a model that can immediately show you where you have been, where you are and where you can go in this divorce experience. By the time you finish reading through each of the six predictable and sequential stages, you will easily be able to identify which stage you are currently in and then be able to work your way through the rest of The Divorce Change Cycle.
