

Here, presented in one volume, are the four stories that comprise the 'Echoes Of Passion' Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Katie Stevens is going through a disastrously long spell of bad luck. She just got laid off, and her personal life is an eternal mess of wrong choices. Notoriously, she always attracts the wrong kind of men. On an early Saturday morning, a couple in the next booth catches her attention. She is blinded by the man's curious, penetrating stare. He's with a woman who talks to him reverently – as if he is her Master. Despite her reservations, she is captivated, only until he shows up at her apartment. Stalker! She instantly blurts in her brain, but the man has a brazen proposition that she cannot turn down. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
