

One Night Standoff (The Marshals of Maverick County Book 2)

There was no way she could hide the bump Lenora Whitaker never thought spending one night with U.S. marshal Clayton Caldwell would put them in the crosshairs of a killer. Connected to a protective custody case gone awry, they are both attacked, leaving Clayton with a damaging case of amnesia and forcing Lenora to go on the run. After taking a bullet to save her life, Clayton is unable to remember Lenora or that he's the father of her baby. But the moment he tracks her down, it's clear the attraction is still there. Hiding out together on his Texas ranch, Clayton admires the way Lenora will do anything to protect her unborn baby. Connecting with the pregnant beauty also triggers the first hints of his past. A past that could mend their broken lives or unearth secrets he'd be better off forgetting.
