

Far From Home: Stories From the Road

You know what its like to be far from home, craving the warmth of those you love. You experience feelings and emotions that you dont normally feel when at home, surrounded by those who care. In this book, the popular Christian artists of FFH share experiences from their lives on the road as well as devotional thoughts learned from those experiences. Also included are letters from the road -- prayers to our Heavenly Father, expressing struggles, hopes, longings, and challenges just like the ones you feel -- and room for you to write your own letters from the road to God who eagerly anticipates your homecoming. Though the world we live in can feel strange, even hopeless at times, your loving Father offers acceptance, love, forgiveness, and understanding. So join FFH in this inspirational book that will help you feel closer to the Father who loves you unconditionally. You will never be the same. And although you may be far from home, you will feel closer than you ever dreamed you could.
