

Night Letter

This fast-paced adventure is filled with tension, excitement, and a realistic sense of history. The main characters are well drawn, and both Anahitas independent spirit and her determination will resonate with readers. The novel is imbued with details featuring the rich and exotic rituals, dress, poetry, and customs of early-20th-century Persian and Uzbek cultures and quotes from poets such as Rumi and Omar Khayyam. Numerous Farsi words are explained in context and/or in the glossary add authenticity to the tale. The novel includes a discussion guide and notes about slavery, past and present, coupled with websites indicating ways in which readers can help victims of human trafficking. Anahitas epic love story captures the mystique of long-ago Persia while providing a framework for exploring issues of social justice still relevant in our own times.--Nancy Menaldi-Scanlan, School Library Journal

Last Nights Letter is a song written by Gloria E Harvey, Phillip L Stewart, Cedric R Hailey and recorded by K-Ci & JoJo that was their third single from their Perhaps I wont write you a really long letter today, but anyhow a line to let you .
