

Forevermore

For M Desiderius, finding someone to love who loves her back was all she could have asked for in life. After marrying Briony and settling in, she begins to hope for even more. Her secret wish is to provide a home for an orphaned girl like she'd been at the age of nine. She owes it to the woman who took her in to pass along that kind act. With Briony's strength and love, she can finally open her home to a foster child. All would be perfect if not for the fact that Olivia isn't truly theirs. When something happens to put Ms dream in jeopardy, will Briony and M find a way to move forward or will the devastating turn punch a hole in their life together that may never be filled?
