

## Heat Waves (Mills & Boon Blaze) (Sexy City Nights, Book 1)

Radio personality Erica McCree really likes sex. Talking about sex, that is. Ian Carlisle has already seduced Erica's imagination. Now he's trying for the rest of her. Erica knows firsthand that you can hide a lot behind a microphone. Although she's earned a reputation for discussing every aspect of sex on her show, she's never had to back it up until a sexy mystery caller proves to be even more irresistible in person. Their on-the-air chemistry sizzles and they heat up the airwaves, debating any and all provocative issues possible. As the ratings soar, so does the sexual tension. But what will Ian do when he discovers Erica's not the sex expert she professes to be?
