

Historical Romance: Lady and the Tempting Scoundrel (Historical Regency Romance, Duke Short Stories, Duke Romance) (New Adult Comedy Romance Short Stories)

Generally a tutor to unruly children in need of refinement and social graces, Lady Bernadette is shocked when her latest student turns out to be a 22-year-old duke; a scoundrel and a rake whose flirtatious ways and loudly spoken opinions are shaming his proper society family. Fresh from a societal scandal that has rocked the lords and ladies of the Ton, Lord Terrence Brandt has been ordered to tame and civilize his wild impulses--with the help of the most prim and proper lady in all of London. Bernadette soon finds that--aside from being a notorious scoundrel--Lord Terrence is the most handsome and charming man she has ever encountered. Moreover, he seems to be a kind and refined gent at heart; one who values her words and wisdom and treats her with the utmost tenderness. Suddenly she is not so sure if she wants to change his appalling ways; especially when he makes her the subject of his thrilling romantic advances. Could that which began as an awkward, most unique tutoring session evolve into the romance of a lifetime? Warning! This ebook contains explicit scenes of passion and desire. For adult eyes only!!!
