

# Money for Life: Turn Your IRA and 401(k) Into a Lifetime Retirement Paycheck

Money for Life addresses the concerns of a wide range of people who are planning their retirement and hoping to create a retirement income from their retirement savings. With the demise of traditional pension plans, this is a significant and important challenge facing boomers as they approach their retirement years. Boomers are now on their own to generate a reliable, lifetime retirement income, and Money for Life provides unbiased, trusted help. It discusses the pros and cons of various methods to generate retirement income without a sales pitch for any specific approach. Part One of this valuable guidebook outlines specific action steps and describes the various retirement income generators in an easy-to-understand manner, using charts, illustrations, and examples. It also introduces the Money for LIFE retirement income rating system to help you choose the solution that works best for you. Part Two serves as a resource for readers who want more details on the methods for generating a retirement income and on specific retirement tax and insurance issues. Praise for Money for Life
