

## Loving Jack: (InterMix)

Love jumps off the pages and into a romance writers life in this heartwarming story from #1 New York Times bestselling author Nora Roberts. Available digitally for the first time. Author Jackie Jack MacNamara is a little in love with her own hero: a brooding Old West cowboy who lives by the gun. That's why she can't understand her reaction to buttoned-down, real-life architect Nathan Powell. Thrown together under the same roof, they vow to respect each other's privacy, which should be easy for the mismatched couple. Only fate is writing the plot to this story and throwing in all kinds of unpredictable twists and turns. Includes a teaser for Lawless, the historical romance Jack writes in *Loving Jack*.
