

Inside Out

Former mercenary Bull Krebbs now heads up security at his nightclub in Harrisburg, PA. Working the door night after night, hes seen it all. Though tough on the outside, hes a little hurt that people find him unapproachable. Then he pulls a cute twink out of line to perform a random search, and hes surprised when the guy giggles and squirms. Zach Spencer, graphic artist, twink, and seriously ticklish, isnt intimidated by Bull. Hes in awe, and when Bull saves Zach from being trampled on the dance floor, Zach finds his inspiration for the superhero in his graphic novel. Soon Zach wants more and makes his move by asking Bull on a date. Though small, he has a backbone of steel. Hell need it?their happily ever after is thwarted at every turn, including by Bulls interloping mother showing up unannounced and enemies from Bulls past threatening to pull him to the other side of the world.

Critics Consensus: Inventive, gorgeously animated, and powerfully moving, Inside Out is another outstanding addition to the Pixar library of modern animated
