

It Started with No Strings... (Mills & Boon Medical)

Blame it on the champagne! At a London salsa club, consultant Aaron Hughes catches sight of the most beautiful woman he's ever seen. Relationships are off the cards for Aaron, but one night with this perfect stranger can't hurt. For registrar Joni Parker, dancing and champagne are a remedy to what-would-have-been-her-wedding-night blues. Until she discovers an even better cure: her first-ever fling! It started with no strings, but when Aaron walks into the hospital on Monday as the new consultant, things get a lot more complicated.

Following a degree in English, she started work as an accountant, and hated every second of it! So did Mills & Boon. When she isn't writing medical romances or health articles, looking after the children or raising funds for Chriss school and ..
