

How to Network: Even if You're as Shy as I Was (Business networking and communication skills) (Volume 1)

Learn how to become a successful networker, even if you are an introvert. Do you hate networking and do you dislike the typical networker? Do you feel overwhelmed when you enter a room full of people and are you too shy to start a conversation with a stranger? If you'd like to obtain a steady stream of customers, boost your self-confidence, and enjoy meeting new people, then this might be the most important book you'll ever read. This book will teach you how to: Learn specific techniques to conquer shyness. Never be afraid to enter a room full of people. Make a good impression on the people you meet. Use networking as a means to become successful in business and really enjoying it while doing.

Networking, or connecting with people who may be able to help with career careers and job options, and exhibiting good business etiquette. .
