

Never Surrender (Shadow Warriors Book 6)

From Shadow Warriors to hostage. Despite her sweet nature, Navy medic Bay Thorns will be unbreakable. It has earned her not only the respect of her team, but also the love of Navy SEAL Gabe Griffin. And as soon as she wraps up the final six months of Operation Shadow Warriors in Afghanistan, she will have her happily ever after. Until her deployment goes horribly wrong. Bay's medical expertise is needed by the Taliban, and she is taken hostage. Her captor is ruthless and cruel, and Bay is not exempt from his evil intents. All that's left now is her resolve and the too-distant memory of Gabe, her last and only hope for rescue. And to pull Bay from hell, this SEAL will have to break every rule in the book. But will Gabe find the woman he loves or a woman broken beyond recognition?
