

Nibiru Vampire Warriors - Chp. One (Blood Slave)

Chapter one in the Blood Slave: Nibiru Vampire Warriors Series Zero struggles to resist becoming Strides blood slave but can he also resist the burning lust the cold hearted fiend is arousing in his very soul? Nibiru, known by some as Planet X, is poised to strike earth and wipe out everything in its path. Stride, a solitary vampire with powers delivered down to him through his sorceress mother, senses its arrival. And he intends to survive to escape to the planet itself in hopes that he will find a blood source there. What Stride finds is a desolate place with no life in sight. Then he sees him, the vampire who sought him out on earth just before the disaster struck, the one who told him there are only two. Only two vampires with no humans to be found means only one thing, only one of them can survive. Zero knows its only a matter of time before he becomes Strides blood slave. His ship crashed on Nibiru, and his human lover perished, leaving him alone and vulnerable. And Stride is tracking him in a deadly game of cat and mouse, determined to survive.
