Playboy Tyler Douglas loved everything about women how they looked, the way they smelled, how they felt and tasted. But after a recent embarrassing encounter, he was afraid to have anything to do with them. Until Tina Deluca, with her sweet innocent face and curvaceous body, walked into his life. He couldn't resist the shy virgin, especially when she offered to help him get over his problem with a sensual course in Lovemaking 101. They tried to take it slowly, but soon touching turned to kissing, and kissing turned to tasting and Tyler realized he was in over his head. Was he finally ready to offer his heart and his body to love?
