

The Rules of Love (The Hampton Road Club) (Volume 2)

Master Saul is captivated by the beautifully submissive Kenneth and the boys love of pain. Unfortunately, Kenneth belongs to Master Preston. Its 1926 and as one of the founding members of the Hampton Road Club, Master Saul Liebowitz has enjoyed the charms of many willing submissives over the years. One of the newer submissives to the club has captured his attention more than anyone has in a long time. Kenneth is tall, muscular and also seems to have a greater love of pain than most. If only Kenneth didnt already belong to another Master. After Kenneths Master died years before, he allowed himself to be taken in by the promises of Master Preston. As time has gone by, Preston has become increasingly crueler to the point where Kenneth fears for his life. Theyve recently joined a sadomasochism club and Kenneth cant help but yearn for the handsome Master the other boys speak so highly of Master Saul. Preston takes things too far one night, and when Saul and his good friend, Master Aaron, do some investigating, they realize that Kenneth might be in real danger. Amidst turmoil at the club over whether there should be rules to keep the boys safe and Prestons play for power, Saul searches for a way to save Kenneth from what hes sure is a deadly situation. Both men fight for what they believe to be the right thing. When they find their way to one another, a wonderful new world opens up to them. But theres one man out there who refuses to let go of the old ways. Kenneth is his property and Master Preston wont give him up.
