

The International Yearbook of Organization Studies 1981 (RLE: Organizations)

The diverse topics in this volume bring together developments in the field of organization studies. Although the approaches are by no means undifferentiated the articles share a commitment to a revitalized organizational analysis, an historically based analysis and one which attempts to understand the structure and impact of organizations in terms of the location of these organizations within structure of class and power.

Recent developments in organizational theory emphasize the need to examine the New York: Oxford University Press, 1981, pp. CHILD, J.
