

Knights Emerald

Astrid Radcliffe avoided her grandmothers matchmaking attempts for months, but never anticipated the elderly womans determination would reach beyond the grave. If Astrid wants to keep her inheritance, the conditions of the will include a priceless emerald, a medieval spell and a handsome artist. Varis Montgomery never expected to inherit the Knights Emerald. He doesnt want the ring, but he desperately wants Astrid in his life and bed. He doesnt believe in spells, but the conditions of the will are nothing less than magic.
