

Between Midnight And Morning (Mills & Boon Desire)

A tall, cool cowboy with a heartbreaker smile, J.T. Tyler had a line of women swooning in his wake. Then he met Alison Samuels, the town's new veterinarian, and found himself face-to-face with a challenge he couldn't ignore. J.T. wasn't interested in relinquishing his bachelor status, but he was definitely interested in learning what the new doc was like between midnight and morning. Alison had moved to middle-of-nowhere Montana to start a new life, not start a fiery affair with a hunky young rancher. But she couldn't deny J.T.'s persistence or fever-inducing powers of persuasion. After a few passionate nights wrapped in his muscular arms, suddenly Alison wondered if their sizzling relationship could survive the hours after dawn.
