

# The Road of Life: Reflections on Searching and Longing

In his thirteen years as Vicar, popular author David Adam welcomed over 1 million pilgrims to the Holy Island of Lindesfarne in Northumberland. Each pilgrim had a story to tell and each came for a different reason. Some radiated a sense of Gods presence, and others were simply too hurried to do anything but look around quickly and move on to the next site. Using the stories of pilgrims Adam encountered on Holy Island, he explores how we can approach our own lives as pilgrimage, without ever leaving the comfort of our homes. How can we move beyond what is safe in our world and encounter the Mystery? How can we learn to disconnect from all the technology that keeps us multi-tasking all day and all night? How can we rediscover awe in the world around us? In the wonderful prose and poetry for which he is so well-loved, David Adam helps us get on the road of life, even when we dont have time to travel to distant lands.

The road to the Resurrection, also called the Path, is a process of transformation.
