[Siren Classic ManLove: Erotic Alternative Paranormal Romance, Vampires, Demons] Remus Marius, a demon warrior, grew up knowing he had the full love and support of his family. It defined who he was. Discovering his mate, Noah, on a mission to rescue kidnapped vampires, he finds that he will need everything he learned growing up to convince Noah he's worth the love Remus wants to give him. Noah Dragos always knew he was a huge disappointment to his family. He wasn't a warrior like his father and brothers. He wasn't even a good vampire. Hidden away and ignored by his family, Noah learned not to rely on anyone. When he's kidnapped by demons, he knows no one will care. Being rescued by Remus and mated to him, Noah has to decide if he's willing to drag his mate into the hell he's lived in his entire life or let Remus find someone more deserving of being a warrior's mate. \*\* A Siren Erotic Romance
