Do you think money can buy happiness? I dont think so. This, in turn, brought me rather brusquely into the lap of luxury, where I encountered the man who would come to change my life. Charles...

Charles and I had shared many a sordid moment growing up, developing quite an uncomfortable and utterly sexual dynamic, culminating in an intense seaside romp when I was eighteen, and the two of us almost immediately, seeing the error of our ways, and deeply regretting our decision.

Its been nearly seven years since that fateful day. Weve both done our best to put the incident out of our mind, the two of us staying far apart from one another, but to no avail. Now, Im engaged to be married to Alan, a billionaire tech mogul, despite my ongoing feelings for Charles. But will his appearance at our engagement party I ead me to a change of a heart, and into the arms of such a taboo lover? A Stand-Alone Stepbrother Romance with No Cliffhanger
