When Magdalena Maggie Reyes meets her new patient, famous R&B singer, Wesley Benton, his bold demands are more than the long-time nurse is willing to tolerate. Soon to-be-released from the hospital, Wesley demands that Maggie be the one to nurse his wounds and take care of him at home. Maggie is less than thrilled about that offer, considering the singer just suffered a gunshot wound at the hands of someone who very much wants him dead. After Maggie reluctantly moves into Wesley's house to care for him, she discovers that his intentions are more than just professional and soon finds herself melting from a kiss she'll never forget. As if that isn't life-changing enough, another attempt on Wesley's life is made and, this time, Maggie is caught in the cross-hairs. Mixing business and pleasure may cost Maggie a lot more than she thought. Will she ever be able to trust that what she and Wes have can last? For a LIMITED time, this edition includes a FREE copy of the following book from the bestselling A BUNDLE OF JOY SERIES THIS TIME, BABY All it took was one drunken night Tasha Millien never gets drunk.
