

Forever & Always (The Ever Trilogy: Book 1)

Ever, These letters are often all that get me through week to week. Even if its just random stuff, nothing important, theyre important to me. Gramps is great, and I love working on the ranch. ButIm lonely. I feel disconnected, like Im no one, like I dont belong anywhere. Like Im just here until something else happens. I dont even know what I want with my future. But your letters, they make me feel connected to something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S**t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? Thats stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesnt weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And it was like you said, a memory turned into a dream, but a memory of something thats never happened, but in the dream it felt so real, and it was more, I dont even know, more RIGHT than anything Ive ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade ~ ~ ~ ~ Cade, Were pen pals. Maybe thats all well ever be. I dont know. If we met IRL (in real life, in case youre not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters, knowing your hurt and your joys, it means something so important to me, that I just cant describe. I need your art, and your letters, and your literary love. If we never

have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter. Your literary love, Ever
