

Southern Rocker Boy (Southern Rockers Book 1)

When Jonah Rileys father dies unexpectedly, he, his grieving mother and ailing sister are forced to move from the country to Austin, Texas. Jonah finds work at an auspicious night spot called Southern Nights, where he earns a few extra bucks as a bouncer-turned-musician. There he meets fiery songstress Lacy Abernathy, who has no use for him or anyone else in the club when shes not on stage. This is an entirely new experience for this ladies man. The opportunistic club owner latches onto this chemistry to fill her club, playing with their hearts and livelihoods for her own questionable motives. Enter music executive Graham Baxter, who offers them both a way outby competing for a recording contract they both need. Now if only they can fight the intense chemistry that keeps them locked in battle, when theyre not locked in each others arms, that is!
