

Secret Tides (Southern Tides, Book 1)

Trouble is brewing on the plantation. When the overseers daughter, Camellia York, accidentally causes the death of the plantations owner -- who is also the father of the man she plans to marry, Trenton Tessier -- life as she knows it will never be the same. As Trenton begins to pull away from her, Camellia seeks solace from Josh Cain, an older relative with a quiet, but unshakable, faith. But when Cains own wife dies tragically, the stage is set for Camellia to discover the truth about her familys past -- and her own destiny. Set against the backdrop of the Old South on the eve of the Civil War, Secret Tides is a saga of passion, greed, romance, and faith that you will not soon forget.
