

## Spanking Tails VIII

From brats to brides and every measure of woman in between she a feisty gun-toting rancher to scintillating gambler to overwhelmed motherif a hot, red butt is what youre looking for, then look no further. Spanking Tails has returned with eight misbehaving ladies who cant help but butt heads with the intractable and strong-armed heroes who love them and yet who also know when a little OTK time can often make all the difference in the world!Eight short stories (44,049 words) make up this brand-new spanking anthology from fan favorite Maren Smith. If you object to heroes who are unaffected by political correctness and unafraid to turn their lady loves bottom-up, then please dont buy this book.
