

Summertime Dreams: A Little Bit Country / The Bachelor Prince

Summer is the perfect time to fall in love. City girl Rori Campbell prides herself on her reasoning skills, so when her car breaks down on a country road, bringing rugged rancher Clay Franklin to her rescue, she refuses to acknowledge the fizzle of chemistry between them. Clay is from a different world—plus, he's engaged! But Rori is about to discover that when the heart takes flight, no amount of reason can halt it. Only a wealthy bride can save Prince Stefano's country from ruin, so he's come to America to seek a wife. But his plans are derailed when he meets penniless beauty Hope Jordan. With a country depending on him, can Stefano allow himself to put duty aside and fall for a woman with nothing to offer but love?
