

Motivational Speakers America: The Indispensable Guide to Americas Business and Motivational Speakers

There are a lot of books about how to be a great motivational speaker, but nothing like this book that showcases international public speakers on a mission to create more success for more people every day. Great books work on many levels and that is true of the Motivational Speakers book series. Learn more about enormously successful motivational speakers, such as Brian Tracy and Les Brown. Motivational speaking is not just about financial success. A truly great Motivational speaker encourages you to reach your full psychological and economic potential. The keynote speakers in Motivational Speakers America range the spectrum from giving excellent business advice, inspiration for living well, and practical, actionable advice on performance for success. Every one of today's motivational masters was once an unknown, struggling to develop their careers while engaging in challenging, time-consuming research and study of the motivational superstars that inspired them. Read this book, learn their secrets, and use these lessons to reach your fullest potential.
