

Sweet Surrender (Mills & Boon Modern) (The Dysarts, Book 4)

He was back and he wanted her! Kate hadn't planned to settle old scores with Alasdair Drummond. But when he reappeared in her life, she realized that here was her chance! He had been her first love, yet he hadn't even considered her as more than a friend. This time around, Alasdair made it clear he found Kate desirable, so she was going to make him surrender to passion on her terms. Only, just when she thought she had Alasdair where she wanted him, the tables were turned on her.
