

The Dhammapada: A Collection of Verses Being One of the Canonical Books of Buddhism

The Dhammapada is a collection of sayings of the Buddha in verse form and one of the most widely read and best known Buddhist scriptures. The original version of the Dhammapada is in the Khuddaka Nikaya, a division of the Pali Canon of Theravada Buddhism. The 5th century Buddhist scholar and commentator Bhadantacariya Buddhaghosa explains that each saying recorded in the collection was made on a different occasion in response to a unique situation that had arisen in the life of the Buddha and his monastic community. Friedrich Max Muller (December 6, 1823 October 28, 1900) known as Max Muller was a German-born philologist and Orientalist, who lived and studied in Britain for most of his life. He was one of the founders of the western academic field of Indian studies and the discipline of comparative religion.
