

The Dove and The Raven - A Christian Historical Romance

He awoke to discover he didnt know who he was or anything about his past. The Dove & The Raven is set during the final years of Americas battle for freedom from the British Monarchy - the American Revolutionary War. The story line is told through the eyes of both Hannah Stewart and the young man, Samuel, who has no past. Interwoven between the pages are the supporting characters, and the story of the birth of a new nation.
