

A Small Fortune (The Fortunes of Texas: Southern Invasion Series)

A little fortune is a good thing. Marnie McCafferty has received her share of propositions over the years, but never one like this. Little Jace Fortune is determined to make his new nanny a permanent part of the family. The problem is he hasn't bothered to okay his plan with his father, the amazingly hunky, comfortably rich and completely love-shy Asher Fortune. Normally, Asher would be amused by his son's matchmaking efforts. But this time, Jace has struck a nerve. It would be all too easy for Asher to fall for the unaffected, straight-talking brunette who has become his son's nanny; all too easy for Marnie to mean too much. But the millionaire from Atlanta will consider no further investments of the heart, no matter how sweet the payoff might be.
