

Come home to Hickory Hollow, Pennsylvania--the beloved setting where Beverly Lewis celebrated Amish novels began--with new characters and new stories of drama, romance, and the ties that draw people together. When Jodi Winfield comes to Lancaster to house-sit, the last thing she expects to find is a disheveled little girl alone on the side of the road. The young teacher is mystified when she learns there have been no reports of a missing child, and the girl herself is no help, since she can't speak English. It's as if the child appeared out of nowhere. Then Jodi turns her attention to Hickory Hollow--and the cloistered world of the Old Order Amish--in search of answers.
