

A Man She Couldn't Forget (Mills & Boon Cherish)

Clare Boneli has felt like a stranger to herself ever since the night an accident took her memory. The night she made a choice between two very different men. Both Brady Langston and Jonathan Harris are good men. But their versions of her are so opposite, it's as if she's two different people. One man holds her career future and one man seems to hold her heart. Because when she's with Brady everything feels so true, so right. As she moves closer to the truth about that fateful night, Clare has to choose again. To stick with the life she's made for herself. Or listen to what her heart's been trying to tell her
