

The Screaming Gull

Contains pace, cleverness and suspense
The Scotsman Scotland, the 1930s.
William Dunbar lives his life without confidence and in the shadow of his sisters.
Charles Merriman, a Secret Service agent, is pushed into the harbour slip. He cannot swim. Instinctively Dunbar saves Merriman. But that is the trigger for a chain of events that pull him deeper into the conspiracy of The Screaming Gull. Sent by Merriman to deliver a message to Sir David MacLaren, Dunbar finds himself embroiled in a murder investigation. Merrimans murder. Teaming up with MacLarens daughter, Maureen, and a young runaway, Peter, Dunbar must trust in his own instincts and strength to prove his innocence. And expose the conspiracy threatening to destroy his country. Can Dunbar clear his name and return home? Does he even want to now that he has sampled freedom, away from his overbearing family? Will the members of The Screaming Gull be exposed and their plan to split the nations be thwarted? The Screaming Gull is an action-packed, cunning and emotional thriller novel from a masterful author. Angus MacVicar is a Scottish writer specialising in crime thrillers, young adult and autobiography. Endeavour Press is the UKs leading independent digital publisher.
