

Eye of Destiny

Hannah and Morgan find love, adventure, and intrigue when they take a cruise together after Morgan's graduation. Hannah wants to recapture the close relationship she once had with her daughter, but Morgan isn't interested. Abandoned by her apathetic daughter, Hannah surrenders to the charms of handsome South African Lukas Pretorius. Meanwhile, Morgan finds romance with Scott, an Interpol agent pursuing a diamond smuggler and all clues point to Lukas as the thief. Eye of Destiny is a novel-length work of approximately 50,000 words/200 pages. Please be aware this book features a married heroine in a loveless marriage, on the cusp of leaving her serial-cheater husband. There is a happy ending, along with smoking hot intimacy, light suspense, and adult language. If you find any of those aspects offensive, you might want to keep browsing my catalog for something else.
